ORGANIZATION OF WORK

1. **The CHAIRMAN** said that at the previous meeting the Committee had completed consideration of the articles in Part 4 of the draft Statute. The meeting that morning would be a very short one, and would be followed by a meeting of the Working Group on International Cooperation and Judicial Assistance. The Committee would reconvene late in the afternoon to consider the report of the Working Group on Procedural Matters concerning Part 5 of the draft Statute.

2. He understood that some delegations had had problems in finding out when meetings were going to take place, particularly informal consultations. He would make every effort to ensure that all participants were kept fully informed by posting up a schedule of each day's meetings, whether formal meetings or informal consultations. The schedule would be changed on a daily basis.

The meeting rose at 10.30 a.m.
